## CERAH Speaker Series 2021

### Telehealth for Wound Self-Management: Improving Access and Outcomes of Chronic Wounds for Older Adults in Northwestern Ontario

Thursday, November 25, 2021 | 12:00 – 1:00 p.m. (EST)

**Dr. Idevania G. Costa, RN, NSWOC, Ph.D.**

Director & Founder of Advanced - Virtual Wound Care Inc.  
Assistant Professor, School of Nursing, Lakehead University  
Research Affiliate, CERAH, Lakehead University

**This session will provide participants with an understanding of:**

- The use of virtual wound care consultation to facilitate the transition of care from the hospital-to-home and long-term care facilities.
- The appropriate use of Telehealth and virtual consultation to improve wound care access and outcomes for older adults.
- A decision-making pathway to help in the screening of appropriate patients to virtual wound care consultations
- The practice of Telehealth to engage patients and families in everyday self-management of chronic wounds while staying safe and comfortable at home.
- The challenges, benefits and future trends of Telehealth in wound care
