# Palliative Care Lunch & Learn

## PAIN ASSESSMENT AND MANAGEMENT IN PALLIATIVE CARE

Wednesday, October 12, 2022  
12:00 - 12:45 pm EDT

Dr. Megan Sellick,  
MD CCFP(PC), FRCPC

Palliative Care Physician, Thunder Bay  
Regional Health Sciences Centre

---

Patients facing life-threatening illnesses can experience complex pain syndromes. Using a case-based approach, we will cover the assessment of complex pain, the initiation and titration of opioids, and the use of adjuvant analgesics. We will also review the diagnosis and treatment of opioid toxicity.
